Cruise Itinerary

The first port of call will be historic, Spanish **San Juan, Puerto Rico**. You will fly into San Juan to board the ship. Lots of time will be available to tour a rum distillery, visit an ancient fort, or stroll along the quaint streets.

In exciting **St. Thomas**, it is a shop 'til you drop adventure. After obtaining some great bargains in the shops and with the street vendors, you can spend the remainder of your day in the sun at beautiful Megan's Bay.

On the island of **Dominica**, you can do it all—hike to beautiful waterfalls, bike through the lush rain forest, tube down a breathtaking river, or simply soak up the sun.

Grenada, the Spice Island, offers a rippling coastline, rainforests, blue waterfalls, and some of the best spices in the Caribbean islands.

If you think you've seen everything, come explore the kunuku, a Caribbean style outback terrain unique to the Netherlands Antilles. In **Bonaire**, nature serves up prickly cactus where iguanas feel at home, and offshore waters that shimmer like aquamarine gemstones.

Dutch-influenced **Aruba** has everything from great shopping, action-packed casinos, terrific water sports, to a landscape that goes from tropical to dessert.

Whatever your pleasure, you will have a great time, with great people, on a great Princess Cruise Line cruise designed especially for YOU!
