Greece Itinerary

- The port of departure, **Venice, Italy** composed of 117 islands in the Venetian Lagoon and held together by a series of canals, is like no other city in the world. Established more than 1,000 years ago by seafarers and Roman refugees, this magnificent city continues to be the heart of Italian culture as well as a mecca for hopeless romantics.
- **Split, Croatia** is one of the Adriatic's most amazing seaports. Not only does this 1700 year old harbor have its share of historic monuments, museums and galleries but from here you can visit dreamy Adriatic islands, sporting some of the world's best beaches.
- **Corfu, Greece** is known as the 'Emerald Island' because of its lush greenery and breathtaking beauty. Possessing an intense culture and unparalleled coastline, the island has provided endless inspiration for many artists and literary figures.
- In **Chania, Crete** wander through the fascinating layers of Chania's history with a visit to the Old Town. Chania is the second largest city of Crete and one of the most beautiful. The city's rich history can be traced through historic buildings and monuments with Venetian, Turkish and Greek architecture.
- Throughout history, **Athens, Greece** has been one of the most important and influential cities of the western world. No visit to Athens would be complete without a visit to the Acropolis. There you'll find the Parthenon, the largest building in the Acropolis and one of the world's most awe-inspiring sights. It was built as a temple to Athena and is still a remarkable structure today.
- In the deep blue waters of the Mediterranean lies one of the most inviting places in all of Greece—**Mykonos**. Get lost looking out at the endless waters of the Aegean Sea as you grab a little sun on one of its beautiful beaches.
- Black-sand beaches, crystal-clear waters and whitewashed villages that cling to volcanic cliffs make the island of **Santorini** a wonder to behold. Many visitors come to Santorini to uncover the mysteries of the lost kingdom of Atlantis, while others revel in its relaxed mountaintop atmosphere to enjoy the scenic waters of the Mediterranean.
- Whether you're into sports, history, art or just lounging by the sea, the charming village of **Katakolon, Greece** is a good place to start. From here it's just a quick trip to the famed Olympia, birthplace of the modern Olympics and one-time home to a Wonder of the Ancient World.
